

**RESTMAC** – Creating markets for wind energy technologies in Central and East Europe

Wind energy - sure way to increase allotment of renewables

Programme of workshop on wind energy

Warsaw, Novotel hotel  
October 11, 2007

## RESTMAC – Creating markets for wind energy technologies in Central and East Europe

- 08.30-09.00** Welcome coffee and registration
- 09.00-09.05** Welcome speech – Roman Doubrava, Energy Centre Bratislava, SK
- 09.05-09.15** Presentation of EU (FP6) RESTMAC project – Monika Sulíková, Energy Centre Bratislava, SK
- 09.15-09.45** Strategic and policy overview of the Wind Energy Sector in Europe – Justin Wilkes, European Wind Energy Association (EWEA), Brussels
- 09.45-10.15** Exploitable potential for wind energy in Poland – Contribution of wind to achieve the 20% Katarzyna Michalowska Knap, Institute for Renewable Energy (IEO), PL
- 10.15-10.40** Coffee break
- 10.40-11.00** Analysis of the barriers that slow down the development of wind energy in Poland Anna Paslawska, Polish Wind Energy Association, (PWEA), PL
- 11.00-11.25** Financing of wind projects through EU structural funds Polish case study Krzysztof Mielniczuk, Polish Economic Chamber of Renewable Energy (PIGEO), PL
- 11.25-12.30** Practical experience (grid issues, planning, environment, financing) with utilisation of wind energy in other Member States, speakers:  
How to integrate large amounts of wind into the grid – Alberto Ceña, Spanish Grid Operator REN or AEE, E  
How to make wind energy and landscape/ biodiversity protection compatible?:  
Speaker from Estonia,  
Experience from Slovakia – Daniel Szabo, Centre for energy alternatives, SK
- 12.30-13.30** Lunch
- 13.30-15.00** Practical experience (grid issues, planning, environment, financing) with utilisation of wind energy in other Member States, speakers:  
Alvydas Naujekas, president of the Lithuanian Wind Power Association, LT  
Practical experiences in wind energy project development in Hungary – Andrea Kircsi, Hungarian Wind Energy Association:
- 15.00-16.00** Questions and open discussion, closing of the workshop

**For registration please contact: Justina Jarych: [justyna.jarych@pigeo.pl](mailto:justyna.jarych@pigeo.pl)**

**Polskie Stowarzyszenie Energetyki Wiatrowej**  
Polish Wind Energy Association
